Keep your eyes healthy with Michigan Catholic Conference Blue Vision Plan

It takes more than just medical care to maintain a healthy lifestyle. Your optometrist or ophthalmologist can be the first to identify serious health conditions, including diabetes and high cholesterol, during a routine eye exam. Your eye doctor plays a key role in keeping you healthy, and your Blue VisionSM plan from Blue Cross Blue Shield of Michigan will help.

Blue Vision, administered by VSP[®] Vision Care, offers you preventive care, corrective treatment, choice, cost savings and a large network of eye doctors in a plan that's easy to use.

Get started today

1. Choose an in-network doctor. Visit vsp.com or call 1-800-877-7195 to find a doctor who's right for you.
2. Make an appointment and tell the doctor you have a Blue Vision plan, powered by VSP.
IMPORTANT: The doctor must use your Blue Cross ID number to verify eligibility.
3. That's it! No need to complete a claim form. We'll handle the rest.

Get the most out of your MCC Blue Vision benefits by choosing a VSP in-network vision provider. The VSP provider network includes many optometrists and ophthalmologists and includes the following retail locations nationwide:

- **RX Optical** with more than 40 locations
- **Vision Works** with 700 locations
